## Word from Board Chair

Another year has come and gone, and reflection seems to be in order as we assess the old to do better on the new. We have accomplished much in the past year, thanks to a very active Board, and outstanding staff team members. The PT Licensure Compact has become a reality. We have a few professionals practicing in our state under that concept now. As more states come on board, we see that activity as a primary function of the Board. Thanks to Shannon Singletary for acting as the liaison from our Board to the FSBPT on that project. We are currently completing an editorial look at the rules and regulations to update and modernize the information in that resource. Of course, we handled thousands of renewals, and hundreds of new licenses, as well as completed numerous investigations and disciplinary matters. A prime duty remains to act as educational and informational resources providers to all of our constituents. It has been a great year all around, and the plans for the new year are exciting as well.

I would like to revisit an issue that we have discussed frequently, but it continues to haunt us as a disciplinary and professional issue. I was recently seated on a panel discussion at the annual Mississippi Physical Therapy Association Annual Meeting. The purpose of the session was to clarify the activities of and the differences between the Mississippi Board of Physical Therapy, the Mississippi Physical Therapy Association, and the Mississippi Physical Therapy Association Political Action Committee. However, the questioning at the close of the presentation greatly disturbed me. Confusion persists about appropriate supervision of non-licensed personnel, and what they can legally do in the State of Mississippi. The answer is very simple. Non-licensed personnel CANNOT legally provide any direct patient treatment under the Practice Act in Mississippi. Part 3103 Chapter 6: Revocation, Suspension, and Denial of License states that licensed professionals may have their licenses sanctioned under Rule 12. "Contracting, assisting, or permitting unlicensed persons to perform services for which a license is required under these regulations." They may not perform ultrasound, electrical stimulation, therapeutic exercise, ambulation, patient education or any other service that requires the skill and knowledge of a licensed physical therapist or assistant. They CAN assist with dressing, transfers, preparation of treatment areas, cleanup, and general clerical duties.

Additionally, the practitioner may be committing insurance fraud by allowing non-licensed personnel to provide physical therapy services. Most insurance companies, including Medicare, will reimburse only for services that are reasonable and necessary and require the skill and knowledge of a licensee.

Who are these non-licensed personnel? They assume many titles in our state. Some of you call them aides, others call them technicians. They can be exercise science students or prospective physical therapy students on observation. Some of you call them athletic trainers or exercise physiologists. Whatever name you use to describe these non-licensed personnel, they are NOT licensed physical therapy practitioners in the State of Mississippi. However well-intentioned, use of these personnel have been associated with worse outcomes, increased risk, and decreased quality of care. If you are currently practicing using non-licensed personnel, please review and revise the tasks you delegate. Our patients, payers, and profession deserve better.

# BOARD NEWS

## Is a Compact Privilege Right for You?

Many of you are aware that there is a compact privilege for physical therapist practitioners now in effect for a number of states, but you may be wondering about the details. The Board wants to acquaint you with how to access information about eligibility for the compact as a Mississippi therapist and also to update you on the status of the compact in other states. Mississippi is proud to have been one of the first ten states to get legislation introduced and passed by our Legislature. This afforded our state the opportunity for the Board to appoint a representative from our Board to sit on the Compact Commission organized by the Federation of State Boards of Physical Therapy (FSBPT) to establish national regulations for how the compact privilege would operate.

As it stands at this time, six (6) states are actively issuing and accepting compact privileges. Those states are: Mississippi, Tennessee, Missouri, Utah, Oregon, and North Dakota. The following fifteen (15) states have enacted legislation but are not yet issuing or accepting compact privileges: Louisiana, Texas, South Carolina, North Carolina, New Jersey, New Hampshire, West Virginia, Kentucky, Oklahoma, Arizona, Colorado, Nebraska, Iowa, Washington, and Montana. The State of Pennsylvania has introduced legislation that is under consideration. The remaining states are non-member states without any legislation introduced.

If you are interested in exploring the compact privilege and its availability to you at this time, the first step you should take is go to the website which is [www.ptcompact.org](http://www.ptcompact.org) and select **Purchase Compact Privilege**. You will be guided through steps that will help you determine if you are eligible based upon the state in which you are currently residing and the state in which you are wanting to practice. It is important to read all information carefully and not make any decisions or pay any fees until you fully understand the process. For answers to any questions that you have, you may call the Compact Commission at (703)-562-8500.

# DID YOU KNOW?

- ❖ There are 2,063 physical therapists and 1,335 physical therapist assistants with active Mississippi licenses as of December 4, 2018.
- ❖ The next scheduled Board meeting is January 31, 2019. This meeting is open to the public.
- ❖ The Board office will be closed December 24-25, 2018 and December 31 – January 1, 2019 for a legal state holiday.
- ❖ You can check the status of a request that you have made by logging into your profile and selecting the tracking tab.
- ❖ You can change your residential address and employment address by logging into your profile.
- ❖ When you pay a fee online and get an error message during the process, please contact the Board office to verify that your transaction was completed.
- ❖ Name change request can be made by completing the name/address form which can be found on the Board website and by providing a copy of your marriage certificate or divorce decree.
- ❖ You are required to accrue 30 hours of continuing competence (CC) each licensure period, including 3 hours of ethics. If you are a new licensee or a licensee on CC probation, you can verify the number of CCUs needed for your next renewal by logging into your profile and selecting the education page.
- ❖ You can start now preparing for renewal by going to your aPTitude account and entering your course information and uploading your certificates. Recent licensees should get ready for their first renewal by setting up an aPTitude account and learning how to use this system for recording CCUs. Assistance is available at [aPTitudeHelp@fsbpt.org](mailto:aPTitudeHelp@fsbpt.org) or call (709) 299-3100, option 5.
- ❖ Changing your employment address is as important as changing your mailing address. Please note that when you receive a license and do not have a job, you have thirty (30) days to update your employer information once you have been employed.
- ❖ Future correspondence may be received through email so please keep your email address current with the Board.
- ❖ The Board no longer accepts paper applications.
- ❖ Photos uploaded in your profile must be in color.
- ❖ The Board office does not accept cash payments. We accept checks or money orders with mailed in items; we do accept payment by debit/credit cards when paying fees or making a purchase online.
- ❖ We are here to serve you so please do not hesitate to call the Board office for assistance at (601) 352-2918.
- ❖ There are 228 physical therapists approved to perform dry needling in Mississippi. This list can be found at [www.msbpt.ms.gov](http://www.msbpt.ms.gov) then click on dry needling.
- ❖ Teal is the national color chosen to represent the practice of physical therapy.

*Merry Christmas  
and  
Happy Holidays*

# New Licensees

The Board is pleased to welcome 229 new licensees to the physical therapy community in Mississippi. These licensees are either new graduates who have passed the NPTE and received their permanent licenses, or practitioners who were previously licensed in other states and have either moved to Mississippi or who live in other states but are practicing in Mississippi. To the new graduates, we offer our congratulations on both graduation and on passing the NPTE. This is a note worthy accomplishment. To the physical therapy practitioners who were licensed in other states, welcome to Mississippi!!
