MS State Board of Physical Therapy Certified Activities Continuing Competence Courses July 1, 2022 - June 30, 2023 Licensure Period

All courses on this list fall under certified activities

Revised: 5/31/2023 9:37 AM

This list will be updated the last day of each month. If a course is not listed you will have to call the company sponsoring the course or you may check the website again at the beginning of each month.

Per the Regulations Governing Licensure for PT/PTA Part 3103 Rule 5.4, the following continuing competence (CC) hours may be accrued from the following sources when the content of the program relates to the profession of physical therapy. Please refer to *Part 3103 Rule 5.4 Sources of Continuing Competence* for additional certified and approved activities.

- 1. Certified conferences and activities that meet the Standards of Continuing Competence (SCC) by Federation of State Boards of Physical Therapy (FSBPT);
- 2. Approved by the APTA (American Physical Therapy Association) or MPTA (Mississippi Physical Therapy Association), and other chapters and sections of APTA per certified activities;
- 3. Certified by Mississippi State Board of Physical Therapy (MSBPT);
- 4. Approved by accredited universities per certified activities.

The following courses have been reviewed as certified activities by MSBPT. If a course has been denied, it will be indicated on the list:

Courses submitted by licensees:

Colorado State University www.colostate.edu	
Course: Advanced Occupational Ergonomics	60 clinical
(is being offered May 1 – June 30)	
Institute for Brain Potential (866) 652-7414	6 clinical
Course: Anxiety, Sleep and the Brain Potential	
(is being offered October 28 in Los Banos, CA)
